You can easily apply for shipment via mobile using the "[DHL Japan Web Tool](#)."

- Process Flow
 1. **Advance Procedures Online**

Enter the required information into the [DHL Japan web tool](#) to prepare your shipping documents online.

2. **Issue of Reference Number**

Upon completion of the procedures, a reference number (barcode) will be issued. You can also check it in your reservation confirmation email.

3. **Bring Shipment to the Airport Counter**

Bring your shipment to a JAL ABC counter at Narita International Airport and present your reference number to the staff. Please pay the shipping fee at the counter, and your shipping documents will be issued.

4. **Delivery**

Your shipment will be promptly delivered to destinations worldwide through DHL's delivery network.

<< About the Opening Campaign >>

To commemorate the launch of the "DHL Express Easy" service from Narita International Airport through the partnership between JAL ABC and DHL Japan, we will launch the "Grand Opening Campaign / Ship Before Take-Off" on Wednesday, July 1, 2026. The first 100 customers who use DHL Express Easy at JAL ABC in Narita International Airport will receive an original DHL eco-friendly bag!

- *Limited to the first 100 customers (Total across all 3 counters / Offer valid while stocks last).*
- *The images shown are for illustrative purposes only. The colors and specifications of the actual novelty item may vary.*
